

# Product specification

---

**Product:** CEDERROTH 4-in-1

**Reference code:** 1910

---

## 1. General description

Cederroth 4-in-1 is a sterile universal dressing, which consists of two elastic bandages and one compress with a non-stick wound contact layer. The compress is stitched to one of the bandages.

### Dimension

Bandage: 10 x 300 cm

Compress: 14 x 23 cm

---

## 2. Intended use

Cederroth 4-in-1 has four functions:

1. Pressure pad for heavy bleeding
2. Protective dressing for superficial wounds
3. Burn dressing with special wound protecting surface
4. Temporary support dressing

Because of the many functions, Cederroth 4-in-1 replaces a variety of traditional first aid dressings and compresses.

---

## 3. Composition
