

Product specification

Product	CEDERROTH WALL BRACKET FOR EYE WASH
----------------	--

Reference code	7200
-----------------------	------

1. General description

A holder in green hard plastics for storing a Cederroth Eye Wash bottle. The holder can be mounted on any vertical surface e.g. on a wall, in a vehicle, at the laboratory bench or on the Cederroth First Aid Panel.

A Mirror is included with the Wall Bracket for visual monitoring of the rinsing.

2. Intended Use

The Cederroth Wall Bracket for Eye Wash is intended for storage of a Cederroth Eye Wash bottle, to keep it organized and easy to find in an emergency situation.

The Cederroth Wall Bracket works as an opening device for the Cederroth Eye Wash.

The Cederroth Wall Bracket also works as an anti-theft system, as the Eye Wash bottle is automatically opened when removed from the holder and thus can not be returned into the holder.
